

MAKE AN IMPACT IN PUBLIC HEALTH

Part-Time, 1-Year Position | \$8,600 Annual Living Stipend | Education Award or Cash Stipend

CPHI AmeriCorps for Public Health (Based in Wichita, KS)

WSU Community Engagement Institute

Join our dedicated team and gain hands-on experience in strengthening, contributing, and building capacity of the local and state public health systems in the largest city in Kansas.

Through this service position, an AmeriCorps for Public Health member will play a crucial role in supporting the establishment of a robust network of community health workers in Kansas. Additionally the member will work towards strengthening the capacity of state and local governmental public health departments, statewide and local health coalitions, and community groups.
